To enter, students are invited to submit a one-page drawing – in black and white, or color – of what they think the Tooth Fairy's castle looks like, accompanied by a brief description of 50 words or less. To easily identify the artist, all entries must include the student's full name, school name, grade level, teacher's email and phone number on the back of their submission. Winning students and the top participating school will receive various prizes, including cash, a special presentation with Dee for Dentist's primary clinician Dr. Dee Dee Meevasin and the Tooth Fairy, and a chance for their artwork to be displayed at the practice.

Submissions may be dropped off at, or mailed to, the Clark County School District (c/o Community Engagement Department) at 4212 Eucalyptus Avenue, Building 8, Las Vegas, NV 89121. Deadline for submissions is Friday, February 17, 2023. Winning schools and students will be chosen and notified by Monday, March 6, 2023.

Since launching the Fills Good program in 2014, Dee for Dentist has donated over \$60,000 to over 30 organizations, including the Pharrar Foundation.
